

Items for which health insurance cannot be used

Items for which health insurance cannot be used:

The following cases are not covered by health insurance even if you present your health insurance card at the counter of medical facilities. In the following cases, you should bear the full expenses.

- Health check-ups
- Complete physical checkups (*ningen dock*)
- Inoculations
- Normal pregnancy and birth
- Treatment for teeth alignment
- Mild hircismus (underarm odor) and spots
- Cosmetic surgeries
- Artificial abortions for economical reasons etc.

*Payment by the National Health Insurance may be limited regarding injuries caused by fighting, drinking and crimes. In addition, injuries and disease of workers (including part-timers) during commuting is covered by Workmen's Accident Compensation Insurance.

Enquiries Nishinomiya City Hall, National Health Insurance Division 0798-35-3120
(Nishinomiya Shiyakusho, Kokumin Kenko Hoken Ka)

Note For details, ask a person who understands Japanese to enquire for you.
