

## Other insurances related to medical services

### Pensions

The National Pension (Kokumin Nenkin) and Social Security Pension (Kosei Nenkin) provide pension when you cannot work due to old age, illness, or accident.

Please see 7-9 for information on the National Pension and 8-7 for information on Social Insurance and Workers' Insurance.

#### Enquiries:

Regarding National Pension: Nishinomiya City Hall, Medical Aid and Pension Division (Iryou Nenkin Ka) 0798-35-3124

Regarding Social Security Pension: Japan Pension Service Office (Nihon Nenkin Kikou Nenkin Jimusho) for the area where the address of your place of employment is. (Nishinomiya Office, Japan Pension Service 0798-33-2944)

### Workmen's Accident Compensation Insurance

If due to work you have an accident, become ill or die, the Workmen's Accident Compensation Insurance (rosai hoken) provides security regarding medical expenses and livelihood.

It is compulsory for employers to join this insurance scheme. They must also pay the insurance premiums.

Applications for insurance claims are made by the company and individual.

Medical expenses are paid directly to the medical institution, and compensation for loss of pay due to the inability to work, etc. is paid to the individual about 1 – 2 months after an application is made.

For information on Workmen's Accident Compensation Insurance see 8-7 Social Insurance.
