

Automobile Tax / Light Automobile Tax

Automobile tax (tax break according to car type)

Automobile tax (tax break according to car type) is a tax levied on a person who owns a standard automobile, etc. as of April 1 each year.

Automobile tax bills are distributed by each prefectural office. Bills should be paid by the deadline through a bank, etc. (If the required procedures of notification of the transfer of ownership of a vehicle or the scrapping of a vehicle are not carried out, a notification to pay tax will be sent. Ensure to carry out the required procedures.)

For details, ask a person who understands Japanese to enquire for you.

Enquiries Nishinomiya Prefectural Tax Office (Nishinomiya Ken-zei Jimusho)
Automobile Tax Section 0798-39-6113

Light-vehicle tax (tax break according to car type)

Light-vehicle tax is levied on a person who owns a small motor vehicle (gendoki-tsuki jitensha), small motorcycle (kogata nirinsha) or light-vehicle (keijidousha) as of April 1 each year. Tax bills are distributed by the City Hall. Bills should be paid by the deadline through a bank, etc. (If the required procedures of notification of the transfer of ownership of a vehicle or the scrapping of vehicle are not carried out, a notification to pay tax will be sent. Ensure to carry out the required procedures.)

For details, ask a person who understands Japanese to enquire for you.

Enquiries Nishinomiya City Hall, Taxation Division (Zeimu Kanri Ka) 0798-35-3209

Automobile tax (environmental performance-based tax break)

Automobile tax (environmental performance-based tax break) is a tax levied on a person who purchased a standard automobile (when the acquisition price is over 500,000 yen and there is no distinction between new cars and used cars).

For details, ask a person who understands Japanese to enquire for you.

(Kobe Kenzei Jimusho Jidoshazeishinsa, Nozeishoumei Ka) 0798-441-0305

Light-vehicle tax (environmental performance-based tax break)

Light-vehicle tax (environmental performance-based tax break) is a tax levied on a person who purchased a light-vehicle with 3 wheels or more (when the acquisition price is over 500,000 yen and there is no distinction between new cars and used cars). Moreover, this light-vehicle tax (environmental performance-based tax break) is a city tax but the prefecture will engage in the assessment and collection for the time being.

For details, ask a person who understands Japanese to enquire for you.
