Use New City-designated Garbage Bags from JULY

ごみぶくろ Garbage bag 垃圾袋 túi đưng rác 쓰레기 봉투 फोहोरको झोला sacco de lixо sac à ordures

Burnable refuse

Other plastics 

Where can I buy them and how much do they cost?

→ They are available at some supermarkets and drug stores etc.
The price is about 10 yen per bag.

What should I do with **regular garbage bags** I still have at home?

→ They can be used till the end of June.

However, **after July 1**, the garbage in regular plastic bags will **no longer be collected**. So please be careful.

This is important to protect our environment.
Please follow the rules when taking out the garbage.

※The transition period for new garbage bags has already begun and will last until the end of June.
